Leading the Industry...
Wide Range of Storage Systems

Ridg-U-Rak is one of the largest storage rack manufacturers in North America, with an annual capacity of more than 130 million pounds and 400,000 sq. ft. of production and warehouse space. From economical 100% selective rack to high-density storage systems, Ridg-U-Rak offers a solution to meet virtually any storage need.

Safety and Innovation
As an industry pioneer and founding member of the Rack Manufacturers Institute (RMI), Ridg-U-Rak has driven advances in storage rack design and manufacture to improve rack safety. Custom Safety enhancements, label tool kits, and training reduce existing inaccuracies and cut costs. These features and enhancements keep costs low and improve safety and innovation.

Roll Formed Columns and Beams
At the heart of most Ridg-U-Rak structures is our famous roll-form column design. Each upright is fully welded using heavy-duty bracing and base plates to ensure structural integrity and to eliminate installation delays and costs inherent in bolt-together uprights.

Ridg-U-Rak offers a wide variety of column and beam profiles of various gages to provide our customers with the most efficient solutions possible. All uprights, beams and support components are engineered to maximize load capacities while minimizing weight to reduce cost.

Design through Installation
Ridg-U-Rak is a customer-centric, full-service organization offering project management, engineering, design and installation services. Our highly experienced engineering staff can handle a multitude of complex projects and work directly with our project managers to ensure that all specifications are satisfied. From project design to detailing to the final installation, Ridg-U-Rak can work with you to ensure your project is completed on time, on budget and to your satisfaction.

Ridg-U-Rak is a member of the Rack Manufacturers Institute (RMI). We believe that it is important to you that your supplier be committed to the principles of continuous improvement in both product design/application, and in the highest professional and ethical standards of performance as embodied in the mission and work conducted within RMI.

## 100% Selective Pallet Racks

**Original Slotted**

- **Gain 60% Density**
- **A Seismic Solution for**
- **Step Beams**
- **Columns Sizes**
- **Tear Drop Style Rack**
- **Industry Compatibile Tear Drop Style Rack**
- **Original Slotted**
- **Original Ridg-U-Rak**
- **Economical Installation**
- **Many accessories available**
- **100% Selective Connection Style**
- **Drive-In and Drive-Thru**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited Space Solutions**
- **Limited Space Solutions**
- **Storage of common-sized pallets**
- **High volume order fulfillment**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Drive-In/Drive-Thru

- **Bolt Formed or Space Saver Rack**
- **Cart-Off-Rack System**
- **Cart-Off-Rack System**
- **Metal Steel Floor Rack**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Push-Bak

- **Bolt Formed or Space Saver Rack**
- **Cart-Off-Rack System**
- **Cart-Off-Rack System**
- **Metal Steel Floor Rack**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Gravity Flow

- **Limited Space Solutions**
- **Multi-level Order Picking Systems**
- **Rack 40% Density**
- **Drive-In Flow Rack**
- **Drive-In Flow Rack**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Very Narrow Aisle

- **Limited Space Solutions**
- **Multi-level Order Picking Systems**
- **Rack 40% Density**
- **Drive-In Flow Rack**
- **Drive-In Flow Rack**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Double Deep

- **Limited Space Solutions**
- **Multi-level Order Picking Systems**
- **Rack 40% Density**
- **Drive-In Flow Rack**
- **Drive-In Flow Rack**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Pick Modules

- **Limited Space Solutions**
- **Multi-level Order Picking Systems**
- **Rack 40% Density**
- **Drive-In Flow Rack**
- **Drive-In Flow Rack**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## SPECIALIZED STORAGE

- **Stac-U-Rak**
- **Ideal for Long Dimensions Products**
- **Steel pallet with tongue and groove or lip**
- **Removable steel pallets**
- **Improve storage density**
- **Multi-level picking**
- **High capacity standard per pallet**
- **2,000/4,000/6,000 lbs.**
- **Tool & die storage**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Stacker Systems

- **Stac-U-Rak**
- **Ideal for Long Dimensions Products**
- **Steel pallet with tongue and groove or lip**
- **Removable steel pallets**
- **Improve storage density**
- **Multi-level picking**
- **High capacity standard per pallet**
- **2,000/4,000/6,000 lbs.**
- **Tool & die storage**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## Structural Shelving

- **Structural Shelving**
- **Roll Formed or Structural Shapes**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**

## The Pellegrino Seismic Base Isolator

- **Base Isolator**
- **Height adjusting slider**
- **System height is adjustable in 4-inch increments.**
- **Bolted Connection**
- **Features:**
- **Large base plate**
- **Offset anchor holes**
- **Industry Compatible**
- **Planar motion**
- **Superior bracing design**
- **100% welded uprights with 180° return flanges**
- **Original Slotted:**
- **3x2-1/4, 3x3 and 4x3-inch columns sizes**
- **Original Ridg-U-Rak:**
- **Industry Compatible Tear Drop Style Rack**
- **Tear Drop Style Rack**
- **Gain 60% Density**
- **A Seismic Solution for**
- **100% Selective Rack (see Selective Rack**
- **Limited Space Solutions**
- **Drive-In Flow Rack**
- **Drive-In Flow Rack**
- **Storage flexibility**
- **Retail and general warehousing**
- **Industrial**
- **Limited space**
- **Combination of Selective and Limited space**
- **High volume SKU storage**
- **Good selectivity**
- **Cost and space efficient**
- **Tool & die storage**
